Timeless 752 Chestnut Park Lane will astound you! This ultra-spacious, ultra-custom home features one of the most appealing and functional floor plans you'll ever see. The foyer ushers you alongside the ample dining room and home office to the massive, open-concept living room. Cathedral style beams will take your breath away as limitless views catch your eye: rolling hills from the kitchen and gorgeous backyard landscaping beyond the climate-controlled sunroom. Real moss rock adorns the wood burning fireplace, and the kitchen boasts a 10'x5' quartz island. Storage abounds with a pantry that accommodates a fridge, plus a butler's pantry and a built-in Thermador. The elegant main level master suite connects to a fantastic laundry room complete with a family office tucked inside. Upstairs, enjoy a second master as well as two bedrooms that share a Jack and Jill bathroom. A bonus room provides more mountain views! The basement features a den, a complete kitchen, a bath & daylight bedroom.
